

# Post-Secondary Update #4

## December 2016

- The deadline to apply to College and/or University is **FAST APPROACHING**
- Make sure you complete your application before the winter holidays **Friday, December 23<sup>rd</sup>** to avoid difficulties with the online server
- If you have any questions about the application process please see Ms. Moore in Student Services

You can find information for applying on the websites below:

1. College applications - website: [www.ontariocolleges.ca](http://www.ontariocolleges.ca) (Official Deadline: February 1, 2017)
2. University applications - website: [www.ouac.on.ca](http://www.ouac.on.ca) (Official Deadline: January 11, 2017)

Note: Official Deadlines are equal consideration dates. Apply on or before this date in order to receive equal consideration for admission to programs starting in Fall 2017. After this date, applications continue to be processed, however, specific institution deadlines apply.

Students who have completed an application to college and/or university should check the **transcript** section of their application to ensure that all courses listed are correct. Students who have applied to college need to also make sure that mid-term marks are listed and correct. If you see any problems, please see Ms. Moore in Student Services. *It is your responsibility to ensure that your information is correct in your application.*

If you are completing an online course, attending a Dual Credit, or attending TASS (night school), please ensure these also show on your transcript. If they are not showing, Ms. Moore can help.

### Out of Province University/College Applications

OUAC will transmit academic data to some of the out of province universities (see Ms. Moore for a complete list). Students authorize this collection by providing their OUAC reference number on the university application. If the out of province university **does not use OUAC**, please see Student Services and we can help with the transcript. Students applying to college outside of Ontario **must request** to have their transcript sent to that college.
